ROOM ENHANCEMENTS

LINEN DRAPING

Room draping, as shown in the Quiet Cannon Ballroom to the right, is placing draped linens around the walls of the room to create a more elegant and whimsical atmosphere.

Especially popular for quinceañera & wedding events where photos are critical, Quiet Cannon can completely change our reception rooms into whatever color, theme or vision you desire. In essence, our rooms act as a canvas in which you can apply your dream look.

WHITE DANCE FLOOR

The beauty and elegance of the perfectly white dance floor is a feature that will not only “wow!” guests, but also look incredibly stunning in photographs. The white dance floor, particularly when coupled with room draping and beautiful multicolor uplights, creates a whimsical appearance. The dance floor can be configured into multiple sizes from small to large depending on the number of guests at your event!

ROOM UPLIGHTING

A new feature offered by Quiet Cannon, uplighting creates a beautiful, colorful and transformative look to our rooms - in any color you wish! Looking through the menu, you will see rooms made elegant and dream like using the power of uplighting. Small and unobtrusive, the lights create not only unique and powerful photographs but also create the “Wow” factor for guests that will leave them talking about the event’s beauty.
